## ***Agreement of Feasibility Study***

This Feasibility Study is mandatory in order to establish the availability of water service at your location. It is conducted by our engineering department, must be paid for in advance, and is non-refundable. You will need to have your property identified for location via painted stakes or flags provided; along with a legible map or drawing. The results of Feasibility Studies take a minimum of four (4) weeks to obtain.

**DUE TO CONSTANT CHANGES OF LAND DEVELOPMENT, THIS FEASIBILITY STUDY IS GOOD FOR A SIX (6) MONTH PERIOD ONLY.**
