Agreement of Feasibility Study

This Feasibility Study is mandatory in order to establish the availability of water service at your location. **It is applicable to ONE (1) standard size meter only.** It is conducted by our engineering department, must be paid for in advance, and is non-refundable. You will need to have your property identified for location via painted stakes or flags provided; along with a legible map or drawing. The results of Feasibility Studies take a minimum of two (2) weeks to obtain. You will be notified via phone call & a copy of the results will be mailed to you.

DUE TO CONSTANT CHANGES OF LAND DEVELOPMENT, THIS FEASIBILITY STUDY IS GOOD FOR A SIX (6) MONTH PERIOD ONLY.
